***NB: History of the cup and awards made**

The cup, engraved as The Derek Bingham Memorial Trophy for Services to Sport for Dorset and donated by Freddie Rowe. The first block of award winners, 1984 – 1992 were presented by Dorset Playing Fields Association and Dorset Sports Council. When this body discontinued, Sport Poole (formally Poole Sports Council) asked about the whereabouts of the cup and it seemed appropriate that as Freddie Rowe had been the Chairman of Poole Sports Council, it be used by Sport Poole (formally Poole Sports Council) for Poole's Sports Awards. It was to become known as the Freddie Rowe Cup from 2002 onwards.
