

Ward Profile – Branksome East

Produced by the Corporate Research and GIS Teams – Mar 2016

Purpose of this profile

The ward profiles provide an ongoing information update on social and economic data for all of Poole's sixteen wards. Each profile compares against average Poole figures. As far as possible the statistical information within this document is the most recently available at the time. Data sources are identified for each chart and table.

These profiles use data from the 2011 Census however more in-depth Census Ward profiles were produced by the Corporate Research Team in August 2013. Please go to www.boroughofpoole.com/2011census for more information on the 2011 Census.

Ward boundaries were changed slightly in 2014. These profiles are based on boundaries prior to this date. New profiles will be prepared for the new ward boundaries in due course

Overview

Branksome East is located to the east of Poole and shares boundaries with Alderney, Branksome West, Canford Cliffs and Bournemouth. There are three residential areas in Branksome East, Talbot Heath to the north (Bournemouth University and the arts institute at Bournemouth are also located here), Alder Hills/Bourne Valley in the east, and Branksome in the south. Part of Bourne Valley Nature reserve, a site of special scientific interest runs through the north of the ward, and Coy Pond Gardens, in the south, is part of the pleasure gardens that follow the Bourne stream to Bournemouth Pier. An industrial and retail area is located in the east of the ward at Alder Hills, and retail facilities are located in the South along Poole Road. Branksome, in the south of the ward is located on the main road network between Poole and Bournemouth, and also has a train station. There is no dentist within the ward, however, one is located within 250 metres of the boundary in Alderney.

Political Representation

Branksome East Ward is represented by two Conservative Party councillors, Drew Mellor and Karen Rampton.

Both councillors were last elected on May 7, 2015, where the Ward's electorate was 5,779 and turnout was 63.0%.

Email: k.rampton@poole.gov.uk

Address: 46 Winston Avenue, Poole, BH12 1PF

Key Facts

Population	Branksome East ward had an estimated 6,206 residents in 2011, comprising 4.2% of Poole's total population. A large proportion of its population (68%) is of working age.
Income and Deprivation	This ward contains one of the seven Lower Super Output Areas in Poole which are in the worst national quartile for multiple deprivation.
Housing	There are approximately 2,780 dwellings of which 38% are in Council Tax Band D or higher. (42% is the corresponding figure for all of Poole).
Health	Life expectancy at birth (2006-2010 data) is 78.3 years for men and 82.5 years for women. (79.4 and 83.5 years respectively for all of Poole).

Population Structure (2011)

Table 1: Population Summary

	Branksome East	%	Poole	%
Total	6,206	100	147,645	100
Males	3,089	50	72,121	49
Females	3,117	50	75,524	51
Children 0-15	912	15	25,659	17
Working Age	4,216	68	91,828	62
Beyond SPA	1,078	17	30,158	20

Source: 2011 Census, Office of National Statistics

Notes: Working age is 16-64 years old for males and females. SPA is state pension age.

Mosaic Lifestyles

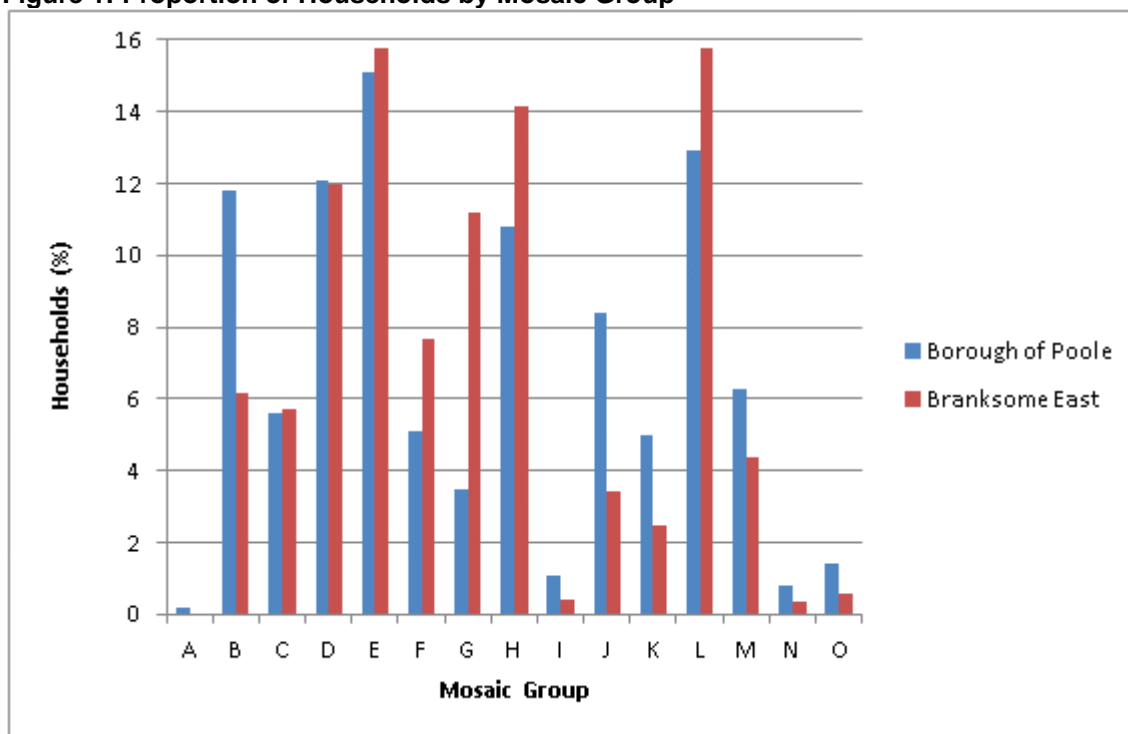

Mosaic is a socio-economic classification system used to classify households into 15 groups and 65 types. **A brief description of the Types and Groups and an introduction to Mosaic can be found [here](#).**

In this ward, the top three Groups are E (16% of all households), L (16%) and H (14%). This suggests a rather mixed socio-economic demographic structure. Group E typifies middle income families, Group L typifies active elderly households and Group H typifies young professionals.

The three main Types are L55 (13%), E19 (8%) and H36 (7%).

The chart below shows the distribution of the Groups in the ward and also in the Borough.

Figure 1: Proportion of Households by Mosaic Group

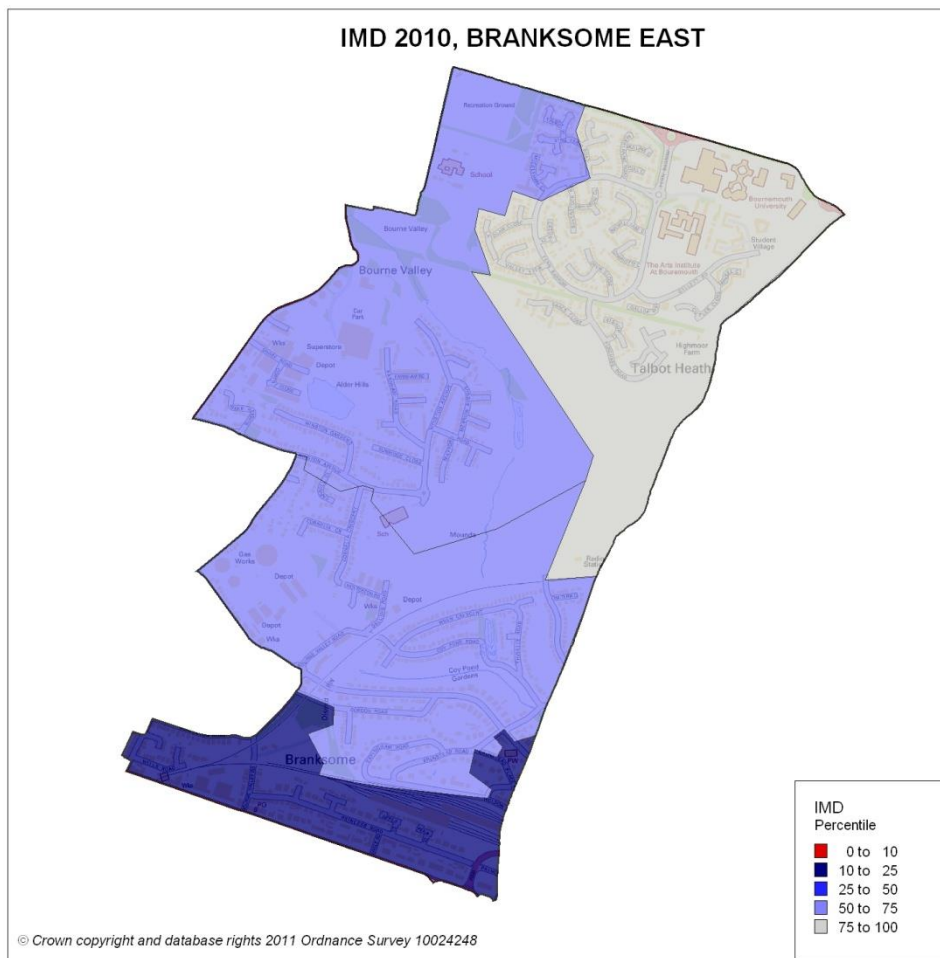

Source: Experian

Income and Deprivation

Household Income: We estimate that average annual household income in 2008 in Branksome East was **£33,900**. The average figure for Poole was £32,800.

The English Indices of Deprivation, 2010 (ID2010) compares levels of deprivation throughout the country at Lower Super Output Area (LSOA). Poole has 91 LSOAs. Of these, seven are in the worst national quartile for Multiple Deprivation, one of which is in Branksome East. This is shown in the map overleaf.

Figure 2: Branksome East Indices of Multiple Deprivation 2010 Percentile Position

The ward as a whole is not deprived and is close to the Poole average for indicators of deprivation – see Appendix 1 below.

Child Poverty: Using the ID2010 definition of income deprivation affecting children, **18% of children in this ward are experiencing income deprivation.** The corresponding figure for Poole overall is also 18%. **(However for the LSOA shaded in dark blue in the map the figure rises to 41%).**

Poverty among Older People: Using the ID2010 definition of income deprivation affecting older people, **around 17% of older persons in this ward are income-deprived.** The corresponding figure for Poole overall is 14%. **(However for the LSOA shaded dark blue in the map the figure rises to 30%).**

Note: ID2010-based data above relates to 2008 in every case

We have referred above to ID2010 definitions of income deprivation and other measures. These can be found [in this report](#).

Unemployment

The worklessness rate as a proportion of the working age population (16-64 years old) in Branksome East is 8.3% (350 people), lower than the average for Poole (8.3%).

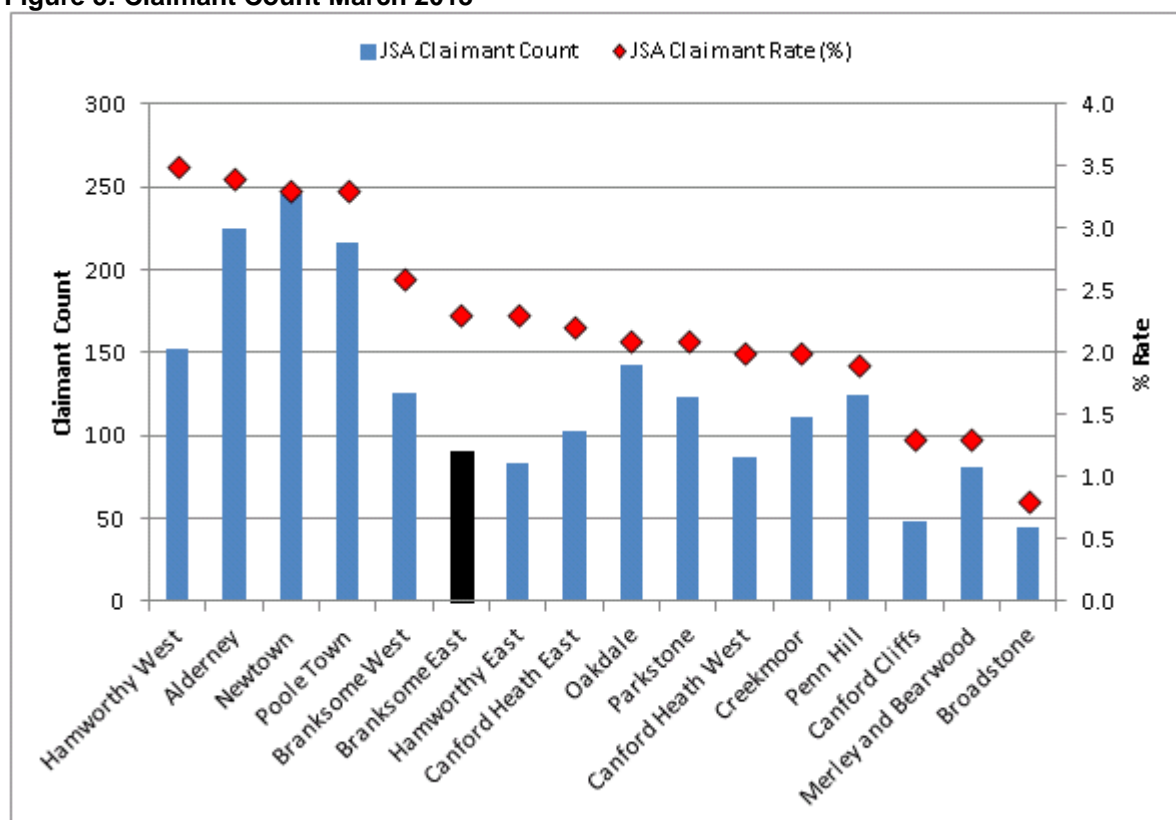

Table 2: Worklessness (Claimants of JSA, Employment Support Allowance/Incapacity Benefit (ESA/IB), Lone Parents on Income Support, Other)

	JSA ¹	ESA/IB	Lone Parents	Other income related	Worklessness
Branksome East Claimants	65	225	40	20	350
Branksome East Rate (%)	1.9	5.4	1.2	0.4	8.8
Poole Claimants	1,610	4,660	1,090	320	7,680
Poole (%)	1.7	5.1	1.2	0.3	8.3

Source: DWP Benefit Claimants August 2012

The Job Seekers Allowance (JSA) claimant rate as a proportion of the working age population (16-64 years old) was 2.3% in Branksome East in March 2013, slightly higher than the average rate for Poole (2.2%). Compared to March last year the unemployment rate in Branksome East has fallen slightly from 2.4%. The chart below shows the JSA claimant numbers and rate for Branksome East in comparison to the rest of the wards in Poole.

Figure 3: Claimant Count March 2013

Source: NOMIS, JSA Claimant Rate, March 2013

¹ There are differences between the DWP published JSA statistics and the ONS published claimant count statistics which are explained here <http://statistics.dwp.gov.uk/asd/asd1/tabtools/differences.pdf>

Health and Well-being

General health, limiting long-term illness and provision of unpaid care

According to the 2011 Census, 1,044 (16.8%) of residents in Branksome East were limited in daily activities because of a health problem or disability. For Poole 18.4% of residents were in this position.

On Census day (27th March 2011) 82.5% of residents reported their general health as either "Very good" or "Good"; the corresponding figure for Poole was 81.4%.

9.6% of Branksome East residents provide help or support to family members, friends, neighbours or others because of long-term physical or mental ill health or disability, or problems related to old age. The figure for Poole is 11%.

Table 4: Health and Provision of Unpaid Care, 2011

Area	Day-to-day activities limited	Very good health	Good health	Fair health	Bad health	Very bad health	Provides Unpaid Care
Branksome East	16.8	47.9	34.6	12.6	3.9	1.1	9.6
Poole	18.4	46.5	34.9	13.4	4.0	1.2	11.0

Source: 2011 Census, Office of National Statistics

Life expectancy

Life expectancy at birth (2006-2010 data) in Branksome East is 78.3 years for men and 82.5 years for women. This is compared to 79.4 years for men and 83.5 years for women respectively for all of Poole.

Housing

Household Composition

Household composition refers to the usual residents in a household and their relationship to each other. Households may be a family or they may consist of one person living alone or unrelated adults sharing. A family is a couple (married, civil partners or cohabiting), with or without children, or a lone parent with at least one child. Children may be dependent or non-dependent.

Of the 2,671 households in Branksome East on 27 March 2011, the most reported household type was where one family (57%, 1,535) followed by those where there was one person living alone (33%, 878). Table 5 shows the details.

Table 5: Household composition, all households 2011

Household composition	Branksome East		Poole	
	Number	%	Number	%
One family: Married or same sex civil partnership couple	784	29	21,300	34
One family: Lone parent	237	9	5,707	9
One family: Cohabiting couple	285	11	6,075	10
One family: All aged 65 and over	229	9	6,631	10
One person household	878	33	19,134	30
Other household type	258	10	4,683	7
Total Households	2,671	100	63,530	100

Source: Census 2011, Office for National Statistics

Household Tenure

Type of tenure refers to whether the household owned or rented their accommodation. The most frequently reported tenure types for households in Branksome East Ward were owned with a mortgage or loan at 34% (897) followed by owned outright at 29% (770).

Table 6: Household Tenure, all households 2011

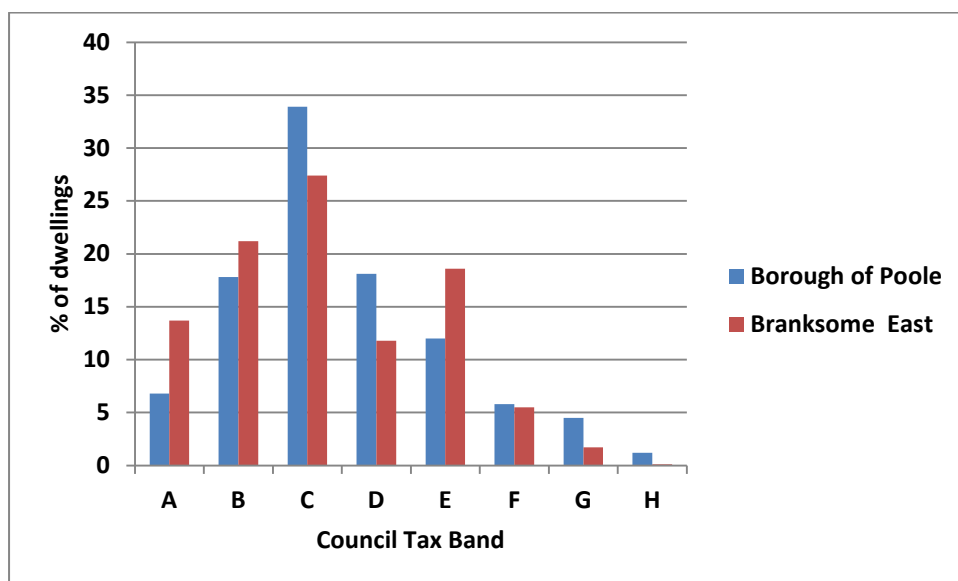

Household Tenure	Branksome East		Poole	
	Number	%	Number	%
Owned: Owned outright	770	29	22,719	36
Owned: Owned with a mortgage or loan	897	34	21,983	35
Shared ownership (part owned and part rented)	9	0	557	1
Social rented: Rented from council	22	1	4,143	7
Social rented: Other	385	14	3,181	5
Private rented: Private landlord or letting agency	524	20	9,293	15
Private rented: Other	47	2	982	2
Living rent free	17	1	672	1
Total	2,671	100	63,530	100

Source: Census 2011, Office for National Statistics

Council Tax Bands

There are approximately 2,780 dwellings of which 38% are in Council Tax Band D or higher. (42% is the corresponding figure for all of Poole). The chart below shows the proportion of dwellings in each council tax band.

Figure 4: Council Tax Bands

Source: Office of National Statistics, Dwelling Stock by Council Tax Band 2011

Environment

The table below shows annual domestic energy consumption per person and also per dwelling in this ward compared to the Borough as a whole.

Table 7: Annual energy consumption (2008)

	Mwh per person	Mwh per dwelling
Branksome East	8.3	17.4
Borough of Poole	8.9	18.7

Source: Department of Energy and Climate Change

45.2% (113.0 hectares) of the ward's area is green space (compared to 38.3% for all of Poole)

Community Safety

Crime statistics from Dorset Police² over the period of April 2012 – March 2013 showed that there were 35 incidents of recorded crime per 1,000 people in Branksome East. The rate for Branksome East was lower than the Poole overall rate of 41 incidents per 1,000 people.

Shaping Poole Survey

The [Shaping Poole Survey](#) asked for opinions about what it's like living in Poole, experiences of local public services and issues such as community safety. It updates the 2008 Place Survey to provide valuable, robust evidence to the Council and its partners (including the police, health, business and community representatives) about what is important to Poole people and where improvements are needed to shape service planning and policies.

The survey was posted to 5,500 households selected at random. 2,265 responses were received (a response rate of 41%). Overall the [headline results](#) of the survey paint a very positive picture of Poole, with:

Improved perceptions of all local public services

- Increased satisfaction with the Council, individual council services and improved perceptions of value for money
- Increased public confidence with community safety issues
- Improved community cohesion, but room for improvement
- Slight decrease in residents with good health

The Shaping Poole Survey results are for Safer Neighbourhood Area because the data is less reliable at ward level³. Branksome East Ward is within the Branksome East, Branksome West & Newtown Safer Neighbourhood Area. Some key findings for this area were:

- Significantly lower proportion of residents that volunteer at least once a month than the Poole average (14.8%, Poole: 22%)
- Significant decrease compared to 2008 in the proportion of residents who thought there was a problem with people not treating each other with respect (-9.7%, Poole: -6%)
- Significant increase compared to 2008 in the proportion of residents that agree the police and local public services are dealing with anti-social behaviour and crime in the local area (+14.3%, Poole: +11%)

A [summary presentation](#) of the results is also available providing more detail.

² The Dorset Police Force Crime Statistics are published at : <http://www.police.uk/> where you can view statistics from Force level down to your local Safer Neighbourhood Team level.

³ More information about Safer Neighbourhood Areas can be found [here](#)

Appendix 1. The Wards Compared

The tables below show how Branksome East compares with the other wards in Poole across a range of key indicators.

WARD	Poverty (all persons)	Child Poverty	Poverty among older people	Employment Deprived t	Male Life Expectancy, years	Female Life Expectancy, years
Alderney	21%	35%	22%	11%	78.2	82.6
Branksome East	12%	18%	17%	8%	78.3	82.5
Branksome West	12%	13%	14%	6%	77.4	85.0
Broadstone	4%	3%	6%	4%	83.2	85.5
Canford Cliffs	5%	6%	5%	6%	80.9	83.8
Canford Heath East	11%	16%	13%	7%	81.2	83.0
Canford Heath West	11%	16%	13%	7%	77.8	85.9
Creekmoor	10%	16%	15%	10%	80.3	84.5
Hamworthy East	16%	26%	20%	11%	78.1	82.7
Hamworthy West	18%	32%	17%	11%	78.9	83.1
Merley & Bearwood	6%	9%	8%	6%	80.2	82.2
Newtown	17%	25%	24%	11%	78.0	83.1
Oakdale	10%	13%	17%	7%	79.7	85.0
Parkstone	11%	17%	14%	7%	80.7	85.3
Penn Hill	7%	8%	11%	6%	78.9	83.3
Poole Town	15%	22%	21%	10%	76.2	80.5
Borough of Poole	11%	18%	14%	8%	79.4	83.5

Note:

1. Poverty is synonymous with "income deprivation" as defined in the English Indices of Deprivation, 2010
2. Employment deprived is percentage involuntary excluded from the labour market as defined in the English Indices of Deprivation, 2010
3. Life Expectancies are based on data from 2006-2010.
