Purpose of this profile

The ward profiles provide an ongoing information update on social and economic data for all of Poole's sixteen wards. Each profile compares against average Poole figures. As far as possible the statistical information within this document is the most recently available at the time. Data sources are identified for each chart and table.

These profiles use data from the 2011 Census however more in-depth Census Ward profiles were produced by the Corporate Research Team in August 2013. Please go to www.boroughofpoole.com/2011census for more information on the 2011 Census.

Ward boundaries were changed slightly in 2014. These profiles are based on boundaries prior to this date. New profiles will be prepared for the new ward boundaries in due course.

Overview

There is a clear sense of community between Canford Heath East Ward and Canford Heath West Ward. Many residents would consider Canford Heath as one whole area that has developed together jointly since the 1960s. An example of this would be school catchment areas which cover across Canford Heath as a whole. Therefore this ward profile should be considered alongside the ward profile for Canford Heath West.

Canford Heath East ward is located in the centre of Poole and shares boundaries with Canford Heath West, Oakdale, Newtown and Alderney wards. Haymoor Bottom Nature Reserve, an area of heathland and open grassland, is located in the north and along the eastern boundary. Sherborn Crescent play area is also located in the north of the ward. Part of the Nuffield Business Park falls within the north west boundary of the ward. There is a doctor's surgery located in Mitchell Road along with a dentist that is located at the same site. This is the only doctor's practice in Canford Heath East and West. The ward also has a library, several primary schools, a secondary school, community centre and many more community facilities.

Political Representation

Canford Heath East Ward is represented by two Liberal Democrat councillors – Jennie Hodges and Sandra Moore. Both councillors were last elected on May 7, 2015. The Ward's electorate was 5,399 and turnout was 61.8%.

Population Structure (2011)

Table 1: Population Summary

	Canford Heath East	%	Poole	%
Total	7,264	100	147,645	100
Males	3,527	49	72,121	49
Females	3,737	51	75,524	51
Children 0-15	1,465	20	25,659	17
Working Age	4,744	65	91,828	62
Beyond SPA	1,055	15	30,158	20

Source: 2011 Census, Office of National Statistics

Notes: Working age is 16-64 years old for males and females. SPA is state pension age.

Mosaic Lifestyles

Mosaic is a socio-economic classification system used to classify households into 15 groups and 65 types. **A brief description of the Types and Groups and an introduction to Mosaic can be found [here](#).**

The three top Groups in this ward are E (36% of all households), followed by H (27%) and B (9%). Middle income families that are comfortably off typify the prevalent Group. Group L typifies young professional households. The three top Types are H35 (19%), E19 (16%) and E18 (11%).

The chart below shows the distribution of the Groups in the ward and also in the Borough.

Figure 1: Proportion of Households by Mosaic Group

Source: Experian

Income and Deprivation

Household Income: We estimate that average annual household income in 2008 in Canford Heath East was £30,300. The average figure for Poole was £32,800.

The English Indices of Deprivation, 2010 (ID2010) compares levels of deprivation throughout the country at Lower Super Output Area (LSOA). Poole has 91 LSOAs. No LSOA in Canford Heath East is in the worst national quartile for Multiple Deprivation.

Note: ID2010-based data above relates to 2008 in every case.

More information on the ID2010 definitions can be found [in this report](#).

Unemployment

The worklessness rate as a proportion of the working age population (16-64 years old) in Canford Heath East is 8.5% (390 people), slightly higher than the average for Poole (8.3%). Canford Heath East has the ninth highest worklessness rate of all Poole's wards.

Table 2: Worklessness (Claimants of JSA, Employment Support Allowance/Incapacity Benefit (ESA/IB), Lone Parents on Income Support, Other)

	JSA ¹	ESA/IB	Lone Parents	Other income related	Worklessness
Canford Heath East Claimants	85	225	65	15	390
Canford Heath East Rate (%)	1.8	4.9	1.4	0.3	8.5
Poole Claimants	1,610	4,660	1,090	320	7,680
Poole (%)	1.7	5.1	1.2	0.3	8.3

Source: DWP Benefit Claimants August 2012

The Job Seekers Allowance (JSA) claimant rate as a proportion of the working age population was 2.2% in Canford Heath East in March 2013, the same as the average rate for Poole (2.2%). Compared to March last year the unemployment rate in Canford Heath East has remained the same. The chart below shows the JSA claimant numbers and rate for Canford Heath East in comparison to the rest of the wards in Poole.

Figure 2: Claimant Count March 2013

Source: NOMIS, JSA Claimant Rate, March 2013

¹ There are differences between the DWP published JSA statistics and the ONS published claimant count statistics which are explained here <http://statistics.dwp.gov.uk/asd/asd1/tabtools/differences.pdf>

Health and Well-being

General health, limiting long-term illness and provision of unpaid care

According to the 2011 Census, 1,203 (16.6%) of residents in Canford Heath East were limited in daily activities because of a health problem or disability. For Poole 18.4% of residents were in this position.

On Census day (27th March 2011) 83.0% of residents reported their general health as either "Very good" or "Good"; the corresponding figure for Poole was 81.4%.

Council Tax Bands

The chart below shows the proportion of dwellings in each council tax band. There are approximately 2,950 dwellings in the ward of which of which 19% are in council tax band D or higher. This compares with 42% for the Borough as a whole.

Figure 3: Council Tax Bands

Source: Office of National Statistics, Dwelling Stock by Council Tax Band 2011

Environment

This ward has the lowest per capita annual domestic energy consumption of all Poole's wards

The table below shows annual domestic energy consumption per person and also per dwelling in this ward compared to the Borough as a whole.

Table 6: Annual energy consumption (2008)

	Mwh per person	Mwh per dwelling
Canford Heath East	6.6	15.7
Borough of Poole	8.9	18.7

Source: Department of Energy and Climate Change

41.3% (79.2 hectares) of the ward's area is green space (compared to 38.3% for all of Poole).

Community Safety

Crime statistics from Dorset Police² over the period of April 2012 – March 2013 showed that there were 50 incidents of recorded crime per 1,000 people in Canford Heath East. The rate for Canford Heath East was higher than the Poole overall rate of 41 incidents per 1,000 people.

Shaping Poole Survey

The [Shaping Poole Survey](#) asked for opinions about what it's like living in Poole, experiences of local public services and issues such as community safety. It updates the 2008 Place Survey to provide valuable, robust evidence to the Council and its partners (including the police, health, business and community representatives) about what is important to Poole people and where improvements are needed to shape service planning and policies.

The survey was posted to 5,500 households selected at random. 2,265 responses were received (a response rate of 41%). Overall the [headline results](#) of the survey paint a very positive picture of Poole, with:

Improved perceptions of all local public services

- Increased satisfaction with the Council, individual council services and improved perceptions of value for money
- Increased public confidence with community safety issues
- Improved community cohesion, but room for improvement
- Slight decrease in residents with good health

The Shaping Poole Survey results are for Safer Neighbourhood Area because the data is less reliable at ward level³. Canford Heath East Ward is within the Creekmoor, Canford Heath East & West Safer Neighbourhood Area. Some key findings for this Safer Neighbourhood Area were:

- Significant increase compared to 2008 in the proportion of residents that agree the police and local public services are dealing with anti-social behaviour and crime in the local area (+11.6%, Poole: +11%)
- Significant decrease compared to 2008 in the proportion of residents that reported their health as being very good or good (-7.1%, Poole: -3%)

A [summary presentation](#) of the results is also available providing more detail.

² The Dorset Police Force Crime Statistics are published at : <http://www.police.uk/> where you can view statistics from Force level down to your local Safer Neighbourhood Team level.

³ More information about Safer Neighbourhood Areas can be found [here](#)
