## HEALTHCARE PERMIT TERMS AND CONDITIONS

### CONDITIONS OF USE

**Permits are issued to Healthcare Professional to park their cars only when making visits to their patients in their homes. They cannot be used in the vicinity of your normal place of work (your employer should make separate arrangements) or for administrative purposes. Under no circumstances may the permit be used by a non-healthcare professional or for private purposes.**

You may apply for a permit for each Healthcare Professional for a fee of £6 each. Permits are valid for 12 months from issue. Permits for Primary Care Trust employees will be issued through the Councils Adult Social Services (Commissioning) Unit.

- The permit must be displayed on the windscreen of the vehicle for the concession to apply. If you use more than one vehicle you must remember to remove your permit and display it in the correct vehicle.
- Any Penalty Charge Notice issued for failing to display the permit will not be waived.
- If a permit holder leaves the profession or no longer works in Poole, the permit should be retained for the new member of staff.
- Vehicles displaying a season ticket, which has been altered or tampered with, will be issued with a Penalty Charge Notice.
- The permit does not guarantee the availability of a parking place.
- If your season ticket is stolen, a replacement will be issued on production of a crime number from the Police confirming the theft of the season ticket or vehicle. If a permit is lost or damaged, you should request a replacement – an administration fee may be charged.

### WHERE TO PARK

- The permit only allows you to park on a single or double yellow line (except where a loading ban is in force, indicated by kerb markings) when making an emergency visit, in residents only bays and limited waiting bays. You may also park in the following car parks, Prosperous Street, Sainsbury, New Orchard, Jubilee Road and Harbourside 2, along with the pay and display bays in Catalina Drive, Newfoundland Drive and Labrador Drive without paying. **You can park only for the duration of the visit to the patient, then the vehicle must be removed immediately on completion of the visit.**
